ELECTRO-5

ELECTRO-5, YOUR PARTNER OF CHOICE

Electro-5 is a **distributor of automation products, robotics, control, instrumentation and electronics**, competing with the major national players in the distribution of industrial technology products.

THE COMPANY STANDS OUT BY OFFERING:

A WIDE SELECTION of brands and products in stock

PERSONALIZED AND EFFICIENT customer service

INNOVATIVE AND IMAGINING solutions

30 YEARS of experience and leadership

To remain a leader in a highly specialized industry, Electro-5 relies on **superior-quality, high-performance and safe products, know-how and innovation.**

Backed by a solid reputation, Electro-5 meets the **productivity, safety and efficiency** requirements of its loyal clientele.

OUR SUPPLIERS

Industrial control products, contactors, disconnectors, circuit breakers and buttons.

Automation products, connection, terminal block and industrial networking.

Automation products, logic controller, servo motor, sensor, vision and robotics.

Instrumentation, multimeters, current clamps and thermal cameras.

Automation products, sensors, energy management, solid state relays.

Plugs, connectors and sockets, cable management.

Equipment for installation and assembly of panels and connection.

Fuses, distribution blocks and surge protection.

Electrical cabinets, enclosures and transformers.

Cooling fans, power supplies and test instruments.

OUR SUPPLIERS

Industrial power and control transformers. Reactance.

Tools for soldering and desoldering, fume extractor.

Motor speed variator (Drive).

Automation products, sensors and vision.

Industrial connection products.

DC Variable Speed Drive.

AuerSignal

Light beacon and sound beacon.

INXPECT

Inxpect safety radar
200 series sensors are
IEC TS 61496-5 certified.

Light beacon and sound beacon.

Industrial control products,
contactors, disconnectors, circuit
breakers and buttons.

Industrial encoder.

Mobile computers, printers,
barcode scanners, 3D vision
and scanners.

OUR SUPPLIERS

AC INFINITY

Environmental controls for audio-video, HVAC, and agricultural applications.

Network solutions in video surveillance, intercom, and audio systems.

Cleaners, lubricants, and environmentally safe DeoxIT® products.

Connection and control products for explosive areas.

Top-tier tools for diverse industries.

Electromechanical and electronic devices.

Rigid, watertight protective cases.

Thermocouples and heating elements.

Electrical safety and isolated power solutions.

Heavy-duty electrical products for the vehicle industry.

Professional audio, video, and network cable solutions.

Traditional lamps, LED lamps, LED luminaires.

Installation tools for network cable infrastructure.

Flexible cable and cable carrier chain.

Industrial and RF connector.

Network, video and USB patch cords. Computer accessories.

Energy and data transmission systems.

Electronic security solutions.

Professional audio loudspeakers, and speakers.

Batteries and battery-related products.

Power connectors.

Instrumentation, multimeters, current clamps.

Industrial and commercial electric heating products.

Analog panel meters, digital meters and current transformers.

Heat-shrink tubing products.

Primary batteries and portable lighting products.

HVAC sensors and transmitters.

Audio/Video cables, networking cables, and fiber cables.

OUR SUPPLIERS

Lighting and energy controls.
Surge protection devices.

Audio converters, DC power cable, deluxe HDMI cable, and speaker wire.

General purpose relays, reset timers, voltage monitor relays and accessories.

Electronic components.

High-performance loudspeakers.

Switches, wall plates, battery holders, connectors, adapters, fuses and lamps.

Banana plugs and jacks, test leads and probes.

Hand tools, power tools, pliers, screwdrivers, wire cutters and safety equipment.

Metal and plastic connectors, high-performance wiring and cables.

Operator interface and industrial automation solutions.

Alligator clips, connectors, and instrumentation cables.

Arduino-compatible boards and products.

Products and connectors for automotive cable and battery terminals.

Electronic cable, wiring and accessories.

Professional cutting pliers, tool sets and crimping pliers.

Medical and industrial foot controls.

Loudspeakers and related speaker and audio parts.

XLR connectors, power-connectors, BNC connectors and special connectors.

Precision vises, circuit board holders, and work holding tools.

Position switches, safety devices and buttons.

Industrial and Commercial LED fixtures.

Sensors, switches and transmitters to control flow, pressure and temperature.

Circuit protection, power control and sensing.

Chemical products for the electronics industry.

Rotary, and linear position sensors.

Rigid, watertight protective case. Industrial flashlight.

EZ-RJ45® connectors, standard RJ45 connectors, crimpers, and testers.

Commercial, industrial and consumer power conversion products.

OUR SUPPLIERS

Bulbs, decorative LED lights.

Quick couplings, multi-couplings, tool changers for robots.

Infrared beams and outdoor PIR for intruder detection.

Load cells, shipping scales, floor scales, bench scales, indicators.

Electronics, kits and development boards.

Electric heaters, indicators, alarms, power switches and thermocouples.

Access control, physical security, CCTV, A/V, and wireless components.

Industrial hot air guns and accessories.

Braided sleeving products.

Wi-Fi networking devices and smart home products.

UPS systems, thermal management products, racks and enclosures.

Tools for soldering and desoldering, fume extractor.

Video surveillance, access control, and commercial audio products.

Residential and commercial LED lighting products.

Cables, accessories, AV furniture and tools.

UPS systems, surge protectors, computer and electronic adapters.

Bright magnifying lamps.

Screwdrivers, torque tools, ratchets, bits, holders, adapters and sets.

IT connectivity accessories.

Super Lube® synthetic grease and oil lubricants.

Computer and electronic cables, peripherals and accessories.

Test and measurement products.

Electric hoists and trolleys, manual chain hoists, ratchet pullers and plate clamps.

Busbar systems, panel, switching devices and accessories.

ELECTRO-5, YOUR PARTNER OF CHOICE

CONCERN FOR THE ENVIRONMENT

Electro-5 offers electronic appliance recycling services for responsible use of your equipment. The company is a depot for the **Electronic Products Recycling Association** and the **Call2Recycle** program for battery recycling.

TRAINING

Our supplier manufacturers use our dedicated training room to deliver a variety of training courses related to their technological products.

Ask your sales representative for details.
